How Rates and Fees Work

Rates

Calculating APRs and DPRs	<p>The Annual Percentage Rate (<i>APR</i>) for variable rates is determined by adding an amount (<i>margin</i>) to the Prime Rate (see <i>Determining the Prime Rate</i> in Part 2). The penalty APR will continue to apply until you have made timely payments with no returned payments during the 6 months being reviewed.</p>																							
Penalty APR for existing balances	<p>If you do not pay at least the Minimum Payment Due within 60 days after its Payment Due Date, we can apply the penalty APR to those balances it does not already apply to. See <i>Penalty APR for new transactions</i> and <i>Penalty APR for existing balances</i> above.
Returned Payment	Up to \$38. If you make a payment that is returned unpaid the first time we present it to your bank, the fee is \$27. If you do this again within the same billing period or the next 6 billing periods, the fee is \$38. However, the returned payment fee will not exceed the applicable Minimum Payment Due. How Your Reward Program Works

Blue Cash PreferredSM

How you earn reward dollars	<p>You will earn Blue Cash Reward DollarsSM (<i>reward dollars</i>) for eligible purchases on your Blue Cash Preferred Card Account. The number of reward dollars you earn is based on a percentage of the dollar amount of your eligible purchases during each billing period. <i>Eligible purchases</i> are purchases made on your Card for goods and services minus returns and other credits.</p> <p>Eligible purchases do NOT include:</p> <ul style="list-style-type: none"> • fees or interest charges, • balance transfers, • cash advances, • purchases of traveler's checks, • purchases or reloading of prepaid cards, or • purchases of any cash equivalents. <p>You will earn a reward of:</p> <ul style="list-style-type: none"> • 6% on the first \$6,000 of eligible purchases during an <i>annual reward year</i> at supermarkets located in the U.S. (superstores and warehouse clubs are not considered supermarkets). An <i>annual reward year</i> is 12 billing periods in a row beginning with the one that includes January 1st. If your billing cycle changes, the length of your annual reward year will also change; • 3% on eligible purchases of gasoline at gasoline stations located in the U.S. (superstores, supermarkets and warehouse clubs that sell gasoline are not considered gas stations); • 3% on eligible purchases at select major department stores located in the U.S. (The current list of select major department stores at which you can earn a 3% reward is available at americanexpress.com/rewards-info); and • 1% on all other eligible purchases. 	<p>Purchases made through a third-party payment account or on an online marketplace (with multiple retailers) will not earn a higher percentage reward.</p> <p>Merchants are typically assigned codes and categorized based on what they primarily sell. A purchase will not earn a higher percentage reward if the merchant, or a particular merchant location, uses a code that is not eligible for a higher percentage reward. For questions about a higher percentage reward on a purchase, call the number on the back of your Card.</p> <p>A purchase may not earn a higher percentage reward if the merchant submits the purchase using a mobile or wireless card reader or if you use a mobile or digital wallet.</p> <p>Please visit americanexpress.com/rewards-info for more information about rewards.</p>
When you will not earn reward dollars	You will not earn reward dollars for eligible purchases posted to your Card Account during a billing period if the Minimum Payment Due shown on the statement for that billing period is not paid by the Closing Date of the next billing period.	Credits for eligible purchases will reduce the number of reward dollars you earn.
How you can redeem reward dollars	<p>You can redeem reward dollars for statement credits in increments of 25 whenever your total available reward dollar balance is 25 or more.</p> <p>Redemption will be in the form of a statement credit of \$1 for every reward dollar redeemed. The credit cannot be more than the amount of the outstanding balance on your Card Account.</p>	<p>From time to time we may at our option offer you other ways to redeem reward dollars, such as for gift cards or merchandise. The minimum redemption is 25 reward dollars.</p> <p>You cannot redeem reward dollars if your Card Account is past due or you have a returned payment outstanding.</p>
When you will forfeit reward dollars	You will forfeit your entire reward dollar balance if your Card Account is cancelled for any reason.	
The Reward Dollars Summary	The reward dollars shown on your billing statement under the heading <i>Reward Dollars Summary</i> is only for informational purposes. It does not show the actual reward dollars that you may be entitled to receive. For example, a credit for eligible purchases posted to your Card Account can lower the reward dollars shown.	Also, if a credit to your Card Account places your eligible purchases in a negative status, the Reward Dollars Summary on your billing statement will show a zero balance. It will continue to show a zero balance until you accumulate eligible purchases exceeding the negative eligible purchases.

Other things you should know about this program	You will only receive rewards for eligible purchases for personal, family or household use. Reward dollars are redeemable for rewards as described above, they are not cash.	We may change the terms of this program at our discretion. If you violate or abuse this program, you may forfeit some or all of your accrued reward dollars.

How Your American Express Account Works

Introduction

About your Cardmember Agreement	This document together with Part 1 make up the Cardmember Agreement (<i>Agreement</i>) for the <i>Account</i> identified on page 1 of Part 1. Any supplements or amendments are also part of the Agreement.	When you use the Account (or you sign or keep the card), you agree to the terms of the Agreement.
Changing the Agreement	We may change this Agreement, subject to applicable law. We may do this in response to the business, legal or competitive environment. This written Agreement is a final expression of the agreement governing the Account. The written Agreement may not be contradicted by any alleged oral agreement. We cannot increase the interest rate on existing balances except in limited circumstances.	Changes to some terms may require 45 days advance notice, and we will tell you in the notice if you have the right to reject a change. We cannot change certain terms during the first year of your Cardmembership.
Words we use in the Agreement	We, us, and our mean the issuer shown on page 1 of Part 1. You and your mean the person who applied for this Account and for whom we opened the Account. You and your also mean anyone who agrees to pay for this Account. You are the Basic Cardmember . You may request a card for an Additional Cardmember (see <i>About Additional Cardmembers</i> in Part 2). Card means any card or other device that we issue to access your Account. A charge is any amount added to	your Account, such as purchases, cash advances, balance transfers, fees and interest charges. A purchase is a charge for goods or services. A cash advance is a charge to get cash or cash equivalents. A balance transfer is a charge to pay an amount you owe on another credit card account. To pay by a certain date means to send your payment so that we receive it and credit it to your Account by that date (see <i>About your payments</i> in Part 2).

About using your card

Using the card	You may use the card to make purchases. At our discretion, we may permit you to make cash advances or balance transfers. You cannot transfer balances from any other account issued by us or our affiliates. You may arrange for certain merchants to store your card number and expiration date, so that, for example: <ul style="list-style-type: none"> • the merchant may charge your account at regular intervals; or • you may make charges using that stored card information. 	We may (but are not required to) tell these merchants if your expiration date or card number changes or if your account is cancelled. You must notify the merchants directly if you want them to stop charging your Account. Keep your card safe and don't let anyone else use it. If your card is lost or stolen or your Account is being used without your permission, contact us right away. You may not use your Account for illegal activities.
Promise to pay	You promise to pay all charges, including: <ul style="list-style-type: none"> • charges you make, even if you do not present your card or sign for the transaction, • charges that other people make if you let them use your Account, and • charges that Additional Cardmembers make or permit others to make. 	<ul style="list-style-type: none"> • your Account balance (including fees and interest) is not more than your Credit Limit, and • your cash advance balance (including fees and interest) is not more than your Cash Advance Limit. <p>We may approve charges that cause your Account balance to go over your Credit Limit. If we do this, we will not charge an overlimit fee. If we ask you to promptly pay the amount of your Account balance above your Credit Limit, you agree to do so.</p>
Credit limit and cash advance limit	We assign a <i>Credit Limit</i> to your Account. We may make part of your Credit Limit available for cash advances (<i>Cash Advance Limit</i>). There may also be a limit on the amount you can withdraw from ATMs in a given period. The Credit Limit and Cash Advance Limit are shown on page 1 of Part 1 and on each billing statement. We may increase or reduce your Credit Limit and Cash Advance Limit. We may do so even if you pay on time and your Account is not in default. You agree to manage your Account so that:	<ul style="list-style-type: none"> • your Account balance (including fees and interest) is not more than your Credit Limit, and • your cash advance balance (including fees and interest) is not more than your Cash Advance Limit. <p>We may approve charges that cause your Account balance to go over your Credit Limit. If we do this, we will not charge an overlimit fee. If we ask you to promptly pay the amount of your Account balance above your Credit Limit, you agree to do so.</p>
Declined transactions	We may decline to authorize a charge. Reasons we may do this include suspected fraud and our assessment of your creditworthiness. This may occur even if the charge would not cause you to go over your Credit Limit	and your Account is not in default. We are not responsible for any losses you incur if we do not authorize a charge. And we are not responsible if any merchant refuses to accept the card.

About your payments

When you must pay	<p>You must pay at least the Minimum Payment Due by the Payment Due Date. The Minimum Payment Due and Payment Due Date are shown on each billing statement.</p> <p>Each statement also states the time and manner by which you must make your payment for it to be credited as of the same day it is received. For your payment to be considered on time, we must receive</p>	<p>at least the Minimum Payment Due in such time and manner by the Payment Due Date shown on your billing statement.</p> <p>Each statement also shows a Closing Date. The Closing Date is the last day of the billing period covered by the statement. Each Closing Date is about 30 days after the previous statement's Closing Date. Each statement also shows a Next Closing Date.</p>
How to make payments	<p>Make payments to us in U.S. dollars with:</p> <ul style="list-style-type: none"> • a single check drawn on a U.S. bank, or • a single negotiable instrument clearable through the U.S. banking system, for example a money order, or • an electronic payment that can be cleared through the U.S. banking system. <p>When making a payment by mail:</p> <ul style="list-style-type: none"> • make a separate payment for each account, • mail your payment to the address shown on the payment coupon on your billing statement, and • write your Account number on your check or negotiable instrument and include the payment coupon. <p>If your payment meets the above requirements, we will credit it to your Account as of the day we receive it, as long as we receive it by the time disclosed in your billing statement.</p>	<p>If we receive it after that time, we will credit the payment on the day after we receive it.</p> <p>If your payment does not meet the above requirements, there may be a delay in crediting your Account. This may result in late fees and additional interest charges (see <i>How Rates and Fees Work</i> on page 2 of Part 1).</p> <p>If we decide to accept a payment made in a foreign currency, we will choose a rate to convert your payment into U.S. dollars, unless the law requires us to use a particular rate.</p> <p>If we process a late payment, a partial payment, or a payment marked with any restrictive language, that will have no effect on our rights and will not change this Agreement.</p>
How we apply payments and credits	<p>Your Account may have balances with different interest rates. For example, purchases may have a lower interest rate than cash advances. If your Account has balances with different interest rates, here is how we generally apply payments in a billing period:</p> <ul style="list-style-type: none"> • We apply your payments, up to the Minimum Payment Due, first to the balance with the lowest interest rate, and then to balances with higher interest rates. 	<ul style="list-style-type: none"> • After the Minimum Payment Due has been paid, we apply your payments to the balance with the highest interest rate, and then to balances with lower interest rates. <p>In most cases, we apply a credit to the same balance as the related charge. For example, we apply a credit for a purchase to the purchase balance. We may apply payments and credits within balances, and among balances with the same interest rate, in any order we choose.</p>

About your Minimum Payment Due

How we calculate your Minimum Payment Due	<p>To calculate the Minimum Payment Due for each statement, we start with the <i>higher</i> of:</p> <p>(1) interest charged on the statement plus 1% of the New Balance (excluding any overlimit amount, penalty fees and interest on the statement); or</p> <p>(2) \$35.</p> <p>Then we add any penalty fees shown on the statement and 1/24th of any overlimit amount, round to the nearest dollar, and add any amount past due.</p> <p>Your Minimum Payment Due may also include any additional amount specified in a promotional offer. Your Minimum Payment Due will not exceed your New Balance. You may pay more than the Minimum Payment Due, up to your New Balance, at any time.</p>	<p>EXAMPLE: Assume that your New Balance is \$3,000, interest is \$29.57, and you have no overlimit amount, penalty fees, or amounts past due.</p> <p>(1) \$29.57 + 1% multiplied by (\$3,000 - \$29.57) = \$59.27</p> <p>(2) \$35</p> <p>The higher of (1) or (2) is \$59.27, which rounds to \$59.00.</p>

About interest charges**When we charge interest**

We charge interest beginning on the date of each transaction. You can avoid paying interest on purchases as described below. However, you cannot avoid paying interest on cash advances and balance transfers.

If you pay the New Balance on every statement by the Payment Due Date, we will not charge interest on purchases.

If you pay the New Balance on a statement by the Payment Due Date and then you pay less than the New Balance on the following statement by the Payment Due Date, we will not charge interest on the portion of the purchase balance that we apply that payment to. But we will charge interest on unpaid purchases.

If you do not pay the New Balance on a statement by the Payment Due Date and then:

- you pay the New Balance on the next statement by the Payment Due Date, we will not charge interest on purchases from the date of your payment to the Closing Date of the billing period in which you made that payment. But we will charge interest on purchases from the beginning of that billing period until the date of your payment.
- you pay the New Balance on each of the next two statements by their Payment Due Dates, we will not charge interest on purchases on the following statement.

Also, we will not charge interest on purchases on a statement if the Previous Balance on that statement is zero or a credit balance.

How we calculate interest

We calculate interest for a billing period by first figuring the interest on each balance. Different categories of transactions--such as purchases and cash advances--may have different interest rates. Balances within each category may also have different interest rates.

We use the **Average Daily Balance method (including new transactions)** to figure interest charges for each balance. The total interest charged for a billing period is the sum of the interest charged on each balance.

Interest

The interest charged for a balance in a billing period, except for variations caused by rounding, equals:

- Average Daily Balance (*ADB*) multiplied by
- Daily Periodic Rate (*DPR*) multiplied by
- number of days the *DPR* was in effect.

ADB

To get the ADB for a balance, we add up its *daily balances*. Then we divide the result by the number of days the *DPR* for that balance was in effect. If the daily balance is negative, we treat it as zero.

DPR

A DPR is 1/365th of an APR, rounded to one tenthousandth of a percentage point. Your DPRs are shown in *How Rates and Fees Work* on page 2 of Part 1.

EXAMPLE: Calculating Interest

Assume that you have a single interest rate of 15.99%, your ADB is \$2,250 and there are 30 days in the billing period.

The *DPR* is 15.99% divided by 365 days = 0.0438%

The *Interest* is \$2,250 multiplied by 0.0438% multiplied by 30 days = \$29.57

Daily Balance

For each day a *DPR* is in effect, we figure the daily balance by:

- taking the *beginning balance* for the day,
- adding any new charges,
- subtracting any payments or credits; and
- making any appropriate adjustments.

We add a new charge to a daily balance as of its transaction date.

Beginning balance

For the first day of a billing period, the beginning balance is the ending balance for the prior billing period, including unpaid interest. For the rest of the billing period, the beginning balance is the previous day's daily balance *plus an amount of interest equal to the previous day's daily balance multiplied by the DPR for that balance*. This method of figuring the beginning balance results in daily compounding of interest.

When an interest rate changes, the new DPR may come into effect during--not just at the beginning of--the billing period. When this happens, we will create a new balance and apply the new DPR to it. To get the beginning balance on the first day for this new balance, we multiply the previous day's daily balance by the old DPR and add the result to that day's daily balance.

Other methods

To figure the ADB and interest charges, we may use other formulas or methods that produce equivalent results. Also, we may choose not to charge interest on certain types of charges.

Determining the Prime Rate

We use the Prime Rate from the rates section of *The Wall Street Journal*. The Prime Rate for each billing period is the Prime Rate published in *The Wall Street Journal* 2 days before the Closing Date of the billing period.

The Wall Street Journal may not publish the Prime Rate on that day. If it does not, we will use the Prime Rate from the previous day it was published. If *The Wall Street Journal* is no longer published, we may use the Prime Rate from any other newspaper of general circulation in New York, New York. Or we may choose to use a similar published rate.

If the Prime Rate increases, variable APRs (and corresponding DPRs) will increase. In that case, you may pay more interest and may have a higher Minimum Payment Due. When the Prime Rate changes, the resulting changes to variable APRs take effect as of the first day of the billing period.

We or our affiliates may tell you about insurance and non-insurance products, services or features that may have a fee. One of our affiliates may act on behalf of a provider of these products. The affiliate may be compensated for this. The insurance products are not offered or sold by us or on our behalf. Our affiliates may get additional compensation when AMEX Assurance Company or another affiliate is the insurer or reinsurer. Compensation may influence what products and providers we or our affiliates tell you about.

We may share information about you with our affiliates so they can identify products that may interest you. We may be compensated for this information.

How we handle electronic debits from your checking account

When you pay us by check, you authorize us to electronically deduct the amount from your bank or other asset account.

We may process the check electronically by transmitting to your financial institution:

- the amount,
- the routing number,
- the account number, and
- the check serial number.

If we do this, your payment may be deducted from your bank or other asset account on the same day we receive your check. Also, you will not receive that cancelled check with your bank or asset account billing statement.

If we cannot collect the funds electronically, we may issue a draft against your bank or other asset account for the amount of the check.

ExpressPay

Cards issued on your Account may be equipped with ExpressPay. ExpressPay enables you to make charges without having the card swiped or imprinted. You can call us to deactivate ExpressPay at any time. Also, we may deactivate ExpressPay at any time.

Privacy Act of 1974 notice

Some federal agencies may accept the card under authority of statute. When you make charges at these agencies, we collect certain charge information. That information may be put to routine uses such as processing, billing and collections. It may also be aggregated for reporting, analysis and marketing use. Other routine uses by agencies may be published in the Federal Register.

Convenience checks

Convenience checks (including balance transfer checks) are checks that we may send you to access your Account. The following terms will apply to use of those checks unless otherwise disclosed with the check.

If you use a convenience check, we may decline it. If we decline it, you may have to pay returned check fees or other penalties to whomever you wrote the check.

If you use a convenience check and we honor it, we will charge interest beginning as of the date we receive the check. You cannot avoid paying interest on convenience check transactions.

We will charge a fee for each convenience check transaction. This fee is 3% of the transaction, with a minimum of \$5. This fee is a finance charge. We will

add the fee to the same balance that we add the convenience check transaction to.

We will charge \$29 each time you ask us to stop payment on a convenience check.

A convenience check is not a card. You may not use convenience checks to pay this or any other account with us or our affiliates. If you use a convenience check, we will apply the:

- cash advance APR if you make it payable to cash, to you, or to a bank, brokerage or similar asset account, or to a mortgage or insurance provider.
- purchase APR if you make it payable to a merchant.
- balance transfer APR if you use it to transfer a balance from another creditor.
- penalty APR if it applies to your Account.

Changing benefits

We have the right to add, modify or delete any benefit, service, or feature of your Account at our discretion.

Assigning the Agreement

We may sell, transfer or assign this Agreement and your Account. We may do so at any time without notifying you. You may not sell, assign or transfer your Account or any of your obligations under this Agreement.

Assigning claims

If you dispute a charge with a merchant, we may credit the Account for all or part of the disputed charge. If we do so, you assign and transfer to us all rights and claims (excluding tort claims) against the merchant. You agree that you will not pursue any claim against the merchant for the credited amount. And you must cooperate with us if we decide to do so.

We do not waive our rights

We may choose to delay enforcing or to not exercise rights under this Agreement. If we do this, we do not waive our rights to exercise or enforce them on any other occasion.

Governing law

Utah law and federal law govern this Agreement and your Account. They govern without regard to internal principles of conflicts of law. We are located in Utah. We hold your Account in Utah. We entered into this Agreement with you in Utah.

In addition, if your billing address is in the State of Maryland, to the extent, if any, that Maryland law applies to your account, we elect to offer your card account pursuant to Title 12, Subtitle 9 of the Maryland Commercial Law Article.

Notice to Oregon Residents

Service charges not in excess of those permitted by law will be charged on the outstanding balances from month to month. You may pay more than the minimum payment due, up to your entire outstanding balance, at any time.

Notice for residents of Washington State

In accordance with the Revised Code of Washington Statutes, Section 63.14.167, you are not responsible for payment of interest charges that result solely from a merchant's failure to transmit to us within seven working days a credit for goods or services accepted for return or forgiven if you have notified us of the merchant's delay in posting such credit, or our failure to post such credit to your account within three working days of our receipt of the credit.

Claims Resolution

Most customer concerns can be resolved by calling our Customer Service Department at the number listed on the back of your card. In the event Customer Service is unable to resolve a complaint to your satisfaction, this section explains how claims can be resolved through mediation, arbitration or litigation. It includes an arbitration provision. **You may reject the arbitration provision by sending us written notice within 45 days after your first card purchase. See Your Right to Reject Arbitration below.**

For this section, **you** and **us** includes any corporate parents, subsidiaries, affiliates or related persons or entities. **Claim** means any current or future claim, dispute or controversy relating to your Account(s), this Agreement, or any agreement or relationship you have or had with us, except for the validity, enforceability or scope of the Arbitration provision. **Claim** includes but is not limited to: (1) initial claims, counterclaims, crossclaims and third-party claims; (2) claims based upon contract, tort, fraud, statute, regulation, common law and equity; (3) claims by or against any third party using or providing any product, service or benefit in connection with any account; and (4) claims that arise from or relate to (a) any account created under any of the agreements, or any balances on any such account, (b) advertisements, promotions or statements related to any accounts, goods or services financed under any accounts or terms of financing, (c) benefits and services related to card membership (including fee-based or free benefit programs, enrollment services and rewards programs) and (d) your application for any account. You may not sell, assign or transfer a claim.

Sending a Claim Notice

Before beginning a lawsuit, mediation or arbitration, you and we agree to send a written notice (a **claim notice**) to each party against whom a claim is asserted, in order to provide an opportunity to resolve the claim informally or through mediation. Go to americanexpress.com/claim for a sample claim notice. The claim notice must describe the claim and state the specific relief demanded. Notice to you may be provided by your billing statement or sent to your billing address. Notice to us must include your name, address and Account number and be sent to American Express ADR c/o CT Corporation System, 111 8th Ave., NY, NY 10011. If the claim proceeds to arbitration, the amount of any relief demanded in a claim notice will not be disclosed to the arbitrator until after the arbitrator rules.

Mediation

In mediation, a neutral mediator helps parties resolve a claim. The mediator does not decide the claim but helps parties reach agreement.

Before beginning mediation, you or we must first send a claim notice. Within 30 days after sending or receiving a claim notice, you or we may submit the claim to JAMS (1-800-352-5267, jamsadr.com) or the American Arbitration Association ("AAA") (1-800-778-7879, adr.org) for mediation. We will pay the fees of the mediator.

All mediation-related communications are confidential, inadmissible in court and not subject to discovery.

All applicable statutes of limitation will be tolled until termination of the mediation. Either you or we may terminate the mediation at any time. The submission or failure to submit a claim to mediation will not affect your or our right to elect arbitration.

Arbitration

You or we may elect to resolve any claim by individual arbitration. Claims are decided by a neutral arbitrator.

If arbitration is chosen by any party, neither you nor we will have the right to litigate that claim in court or have a jury trial on that claim. Further, you and we will not have the right to participate in a representative capacity or as a member of any class pertaining to any claim subject to arbitration. Arbitration procedures are generally simpler than the rules that apply in court, and discovery is more limited. The arbitrator's decisions are as enforceable as any court order and are subject to very limited review by a court. Except as set forth below, the arbitrator's decision will be final and binding. Other rights you or we would have in court may also not be available in arbitration.

Initiating Arbitration

Before beginning arbitration, you or we must first send a claim notice. Claims will be referred to either JAMS or AAA, as selected by the party electing arbitration. Claims will be resolved pursuant to this Arbitration provision and the selected organization's rules in effect when the claim is filed, except where those rules conflict with this Agreement. If we choose the organization, you may select the other within 30 days after receiving notice of our selection. Contact JAMS or AAA to begin an arbitration or for other information. Claims also may be referred to another arbitration organization if you and we agree in writing or to an arbitrator appointed pursuant to section 5 of the Federal Arbitration Act, 9 U.S.C. sec. 1-16 (**FAA**).

We will not elect arbitration for any claim you file in small claims court, so long as the claim is individual and pending only in that court. You or we may otherwise elect to arbitrate any claim at any time unless it has been filed in court and trial has begun or final judgment has been entered. Either you or we may delay enforcing or not exercise rights under this Arbitration provision, including the right to arbitrate a claim, without waiving the right to exercise or enforce those rights.

Limitations on Arbitration

If either party elects to resolve a claim by arbitration, that claim will be arbitrated on an individual basis. There will be no right or authority for any claims to be arbitrated on a class action basis or on bases involving claims brought in a purported representative capacity on behalf of the general public, other cardmembers or other persons similarly situated.

The arbitrator's authority is limited to claims between you and us alone. Claims may not be joined or consolidated unless you and we agree in writing. An arbitration award and any judgment confirming it will apply only to the specific case and cannot be used in any other case except to enforce the award.

Notwithstanding any other provision and without waiving the right to appeal such decision, if any portion of these *Limitations on Arbitration* is deemed invalid or unenforceable, then the entire Arbitration provision (other than this sentence) will not apply.

Arbitration Procedures

This Arbitration provision is governed by the FAA. The arbitrator will apply applicable substantive law, statutes of limitations and privileges. The arbitrator will not apply any federal or state rules of civil procedure or evidence in matters relating to evidence or discovery. Subject to the *Limitations on Arbitration*, the arbitrator may otherwise award any relief available in court. The arbitration will be confidential, but you may notify any government authority of your claim.

If your claim is for \$10,000 or less, you may choose whether the arbitration will be conducted solely on the basis of documents, through a telephonic hearing, or by an in-person hearing. At any party's request, the arbitrator will provide a brief written explanation of the award. The arbitrator's award will be final and binding, except for any right of appeal provided by the FAA; however, any party will have 30 days to appeal the award by notifying the arbitration organization and all parties in writing. The organization will appoint a three-arbitrator panel to decide anew, by majority vote based on written submissions, any aspect of the decision objected to. Judgment upon any award may be entered in any court having jurisdiction. At your election, arbitration hearings will take place in the federal judicial district of your residence.

Arbitration Fees and Costs

You will be responsible for paying your share of any **arbitration fees** (including filing, administrative, hearing or other fees), but only up to the amount of the filing fees you would have incurred if you had brought a claim in court. We will be responsible for any additional arbitration fees. At your written request, we will consider in good faith making a temporary advance of your share of any arbitration fees, or paying for the reasonable fees of an expert appointed by the arbitrator for good cause.

Additional Arbitration Awards

If the arbitrator rules in your favor for an amount greater than any final offer we made before arbitration, the arbitrator's award will include: (1) any money to which you are entitled, but in no case less than \$5,000; and (2) any reasonable attorneys' fees, costs and expert and other witness fees.

Your Right to Reject Arbitration

You may reject this Arbitration provision by sending a written **rejection notice** to us at: American Express, P.O. Box 981556, El Paso, TX 79998. Go to americanexpress.com/reject for a sample rejection notice. Your rejection notice must be mailed within 45 days after your first card purchase. Your rejection notice must state that you reject the Arbitration provision and include your name, address, Account number and personal signature. No one else may sign the rejection notice. If your rejection notice complies with these requirements, this Arbitration provision and any other arbitration provisions in the cardmember agreements for

any other currently open American Express accounts you have will not apply to you, except for Corporate Card accounts and any claims subject to pending litigation or arbitration at the time you send your rejection notice. Rejection of this Arbitration provision will not affect your other rights or responsibilities under this Claims Resolution section or the Agreement. Rejecting this Arbitration provision will not affect your

ability to use your card or any other benefit, product or service you may have with your Account.

Continuation

This section will survive termination of your Account, voluntary payment of your Account balance, any legal proceeding to collect a debt, any bankruptcy and any sale of your Account

(in the case of a sale, its terms will apply to the buyer of your Account). If any portion of this Claims Resolution section, except as otherwise provided in the Limitations on Arbitration subsection, is deemed invalid or unenforceable, it will not invalidate the remaining portions of this Claims Resolution section.

Your Billing Rights: Keep this Document for Future Use

This notice tells you about your rights and our responsibilities under the Fair Credit Billing Act.

What To Do If You Find a Mistake on Your Statement

If you think there is an error on your statement, write to us at:

American Express
PO Box 981535
El Paso TX 79998-1535

In your letter, give us the following information:

- **Account information:** Your name and account number.
- **Dollar amount:** The dollar amount of the suspected error.
- **Description of problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us:

- Within 60 days after the error appeared on your statement.
- At least 2 business days before an automated payment is scheduled, if you want to stop payment on the amount you think is wrong.

You must notify us of any potential errors *in writing*. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

What Will Happen After We Receive Your Letter

When we receive your letter, we must do two things:

1. Within 30 days of receiving your letter, we must tell you that we received your letter. We will also tell you if we have already corrected the error.
2. Within 90 days of receiving your letter, we must either correct the error or explain to you why we believe the bill is correct.

While we investigate whether or not there has been an error:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

After we finish our investigation, one of two things will happen:

- *If we made a mistake:* You will not have to pay the amount in question or any interest or other fees related to that amount.
- *If we do not believe there was a mistake:* You will have to pay the amount in question, along with applicable interest and fees. We will send you a statement of the amount you owe and the date payment is due. We may then report you as delinquent if you do not pay the amount we think you owe.

If you receive our explanation but still believe your bill is wrong, you must write to us within 10 days telling us that you still refuse to pay. If you do so, we cannot report you as delinquent without also reporting that you are questioning your bill. We must tell you the name of anyone to whom we reported you as delinquent, and we must let those organizations know when the matter has been settled between us.

If we do not follow all of the rules above, you do not have to pay the first \$50 of the amount you question even if your bill is correct.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us *in writing* at:

American Express
PO Box 981535
El Paso TX 79998-1535

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

- if, through no fault of ours, you do not have enough money in your bank account;
- if the transfer would go over the credit limit on any overdraft line you may have;
- if the funds in your bank account were subject to legal process or other encumbrance that restricted the transaction;
- if circumstances beyond our control (such as fire or flood) prevented the transaction, despite our reasonable precautions; or

Privacy

We will disclose information to third parties about your transactions:

- when necessary for completing transactions;
- to comply with government agency or court orders; or
- as stated in our Privacy Notice, which covers your use of the services.

Arbitration

The *Arbitration* section, in Part 2 of the Cardmember Agreement, applies to this EFT Agreement and the services.

In case of errors or questions

If you think your statement or receipt is wrong, or if you need more information about a transaction on your statement or receipt, call or write us as soon as you can. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared. If you do not contact us because of certain circumstances (such as you are in the hospital), we may extend the 60-day period for a reasonable time. When you contact us:

- tell us your name and account number.
- describe the error or the transaction you are unsure about. Explain as clearly as you can why you believe it is an error or why you need more information.
- tell us the amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days after you called us. Within 10 business days after we hear from you we will determine whether an error has occurred. We will correct any error promptly. However, if we need more time, we may take up to 45 calendar days to investigate. If we do take more time, we will credit your bank account within 10 business days for the amount you think is in error so that you will have use of the funds during the time it takes to complete our investigation.

If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your bank account for the amount you question.

We will tell you the results within 3 business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for

copies of the documents that we used in our investigation. If we have credited your bank account and find no error, we will tell you when we will withdraw that amount from your bank account again. You authorize us to withdraw this amount from your bank account. If your bank account does not have enough funds to cover this withdrawal, we can charge the amount to your card account or collect the amount from you. If this happens, we may cancel your right to use a service.

We may end the services

We may extend or limit the services at any location without telling you ahead of time. Also, we may stop a service at any time.

We may cancel your participation in a service at any time. If we do, we will write to you, but we may not send you the notice until after we cancel. Also, we may refuse to authorize a transaction at our discretion.

We will end or suspend use of a service if:

- you do not use it for 18 months in a row,
- your card account is in default,
- your card account is cancelled or suspended,
- you cancel the authorization you gave your bank to pay for any transactions you make through the service, or
- your bank account is closed to withdrawals by us or our agents.

You may choose to stop using any service.

If you do, you must write to us at American Express, Electronic Funds Services, P.O. Box 981531, El Paso, TX 79998-1531.

Assignment

We may assign this EFT Agreement to a subsidiary or affiliate at any time.

Note for Massachusetts residents

General disclosure statement: Any documentation given to you which shows that an electronic funds transfer was made will be admissible as evidence of that transfer and will constitute *prima facie* proof that the transfer was made.

Except as explained in this EFT Agreement, if you initiate an electronic funds transfer from your bank account, you cannot stop payment of the transfer.

Unless otherwise provided in this EFT Agreement, you may not stop payment of electronic funds transfers. Therefore, do not use electronic transfers for purchases or service unless you are satisfied that you will not need to stop payment.

Disclosure of bank account information to third parties: If you give us your written authorization to disclose information about you, your bank account, or the transactions that you make to any person, that authorization will automatically expire 45 days after we receive it.

Optional limit on obtaining cash: You can ask us to limit the total amount of cash that you may get from ATMs in a single day to \$50. If you choose this option, we will take all reasonable steps to comply with your request.
